**"YOUR NEXT EVENT" - Please don't be afraid to "name your event" - Let me know ASAP whenever & wherever you have been marshalling. Points will be awarded for marshalling on ANY MSA or FIA event whether local, national or international! (But, if I'm not aware of you having marshalled on an event, I can't give you points!) You will NOT gain Marshals points for ORGANISING (or assisting in organising) unless it is a RHYL & DISTRICT MOTOR CLUB organised or co-organised event (in which case 20 points are automatically added to your account) NON MOTORING EVENTS (eg. Quiz nights & other Social Events) do NOT classify for Marshalling points.**

10 Marshals points will be awarded to each marshal PER DAY MARSHALLED (to a MAXIMUM of 25 points) on any MSA or FIA affiliated Clubs' event. Proof of Marshalling may be randomly requested to verify claimed points, so make sure you ALWAYS Sign on as a MARSHAL with the organisers and get your MSA Marshals Licence signed (if you have one)

These points all go towards an end of year MARSHALS AWARD & TROPHY - to be awarded to the Club member considered to have done the most marshalling during the 12 month period, as indicated by points accrued on this table. If you're out marshalling on ANY event, LET ME KNOW and CLAIM YOUR POINTS! Remember - 20 BONUS POINTS for registering as an MSA Marshal & 20 Points for attending an MSA Training Day

If YOUR name doesn't appear on this list, or you think you have points missing, let me know asap!

Please Note: "10" = Marshal registration APPLIED FOR, a further 10 points will be applied when registered!

Current championship leaders at September 2008. l-r, Linda Jones, Keith Jones, Arthur Jones, Sandra Baxter, Iain Baxter - Seen at Weeton Stage Rally, September 21st 2008.
