## RHYL STAGE THE THIRD ROUND OF THE BTRDA AUTOTEST CHAMPIONSHIP

With the fine weather over Easter most of the three test areas were set up, however the storms of the Friday and Saturday saw many of the cones and barrier ropes moved significantly across the test areas. This meant a very early start on the Sunday of the event when the winds had significantly reduced to reset out all three test areas

Despite a chilly day many helpers and marshals turned out to support the running of the event for the club, which besides the BTRDA autotest an ANWCC production car autotest ran in conjunction with BTRDA autotest.

It was Ian Chapman in the Xmoor Riot that started the day in winning ways, but after test 1 run 1 it was Christopher Chapman in the Raw Striker that took the Autotest lead and remained in 1<sup>st</sup> position throughout the remaining 17 runs to take Fastest Time of the Day. He led Warren Gillespie in second place overall by 43.5 seconds Chris is currently leading the BTRDA Championship

CHRISTOPHER CHAPMAN – RAW STRIKER - FTD

Rhyl member Paul Fobister in the Fobby Special achieved a very creditable 5<sup>th</sup> overall and took first in class D for specials he lost the Fastest Time of Day by just over a minute. Paul is currently third in the BTRDA Championship and currently 2<sup>nd</sup> in the ANWCC Autpotest Championship

PAUL FOBIIDSTER – FOBBY SPECIAL 1<sup>st</sup> CLASS D

WARREN GILLESPIE - NOVA 2<sup>nd</sup> Overall 1<sup>st</sup> CLASS B

Travelling down from Scotland for the event was Warren Gillespie and for his travels took a very creditable 2<sup>nd</sup> Overall and 1<sup>st</sup> Class B in his very quick Vauxhall Nova with his daughter in the same car came 2<sup>nd</sup> in Class. Warren is currently in second place in the BTRDA Championship just 8 points off the lead.

## LOCAL BOYS FROM CAERNARVON & ANGLSEY TAKE 1<sup>st</sup> & 2<sup>nd</sup> IN THE PRODUCTION CAR AUTOTEST

There were 8 entries in the event, lower than what we expected but a good days competition for them. This event ran all the same tests as the Autotest event with the only difference being they could drop their 2 worst runs.

WILL & DEIO HUGHES 1<sup>st</sup> & 2<sup>nd</sup> IN A FORD

Gav and Al were separated by Howard Morris a RDMC member and a leading ANWCC Autosolo Contender navigated excellently by his wife Carol Morris. Howard came 1st in class D

HOWARD & CAROL MORRIS 1<sup>st</sup> Class D

DAVE EVANS BTRDA REPRESENTATIVE

The two leading places were maintained throughout the day between Will Hughes and Deio Hughes sharing a Ford Fiesta. They are both regular visitors to the RDMC events and whilst C&A is Will's primary club he is also a member of Rhyl & DMC. After 18 tests only 16 seconds separated these two.

3<sup>rd</sup> Overall was Gav Williams from Clwyd Vale MC beating Al Hayward from Clwyd Vale and Rhyl DMC. They were both sharing Al's Ford Ka. The difference between them was 1min 8 sec

GAV WILLIAMS & AL HAYWARD 1<sup>st</sup> & 2<sup>nd</sup> IN CLASS A

Despite scoring a maximum in the last tests due to mechanical problem Lewis Rock driving and Dylan Griffiths navigating around the cones for Lewis got 3<sup>rd</sup> in class A

LEWIS ROCK & DYLAN GRIFFITHS

The two events proved a great success and such success must be attributed to a fantastic turn out of marshals, the Port of Mostyn for a great facility and our sponsor on this event **AUTOCOLOURS (NW) based in Rhyl.**

Mention of thanks must also go to Dave Evans a BTRDA representative, and a regular attender at our events who has helped and advised the club to achieve BTRDA status in 2019

# GO KARTING CHAMPIONSHIP – THE COMPETITION IS HOTTING UP IN ROUND 2

## Competitors talking about dieting to gain extra seconds over their competitors

Well where to begin! we started with 15 drivers all ready to give it their all, we had some new faces and some very old faves (sorry dad and Mal).. We started with the qualifying and it was a thrilling watch! The pace that was set by Carl and Sven was unbelievable making the second lot of qualifying even tougher. With everyone qualified for the first and second race the race was on.

1st race saw Osian Owen a very new and ugly face to the karting championship take the win with his dad in second and Phill Rock rounding off the top 3.

The last final began, and my god was it full of drama and mega pace! Lewis pulled over after 2 laps not feeling comfortable in the kart, but was soon on his way to set a quackish time, but sadly not making the top 3,

It was back and forth between Carl and Sven and no one really knew who could get the winning time, Witt 3 laps to go Carl set a very quick time of 28.966 but in the end it wasn't enough to match Svens pace . A new comer to karting but a very experienced rally driver and navigator in Stephen Clark rounding off then top 3. On behalf of me the organiser. I would like to say thank you for all the continuing support on the championship and I was astonished to get 15 entries.

What a night it was,

**Next meeting will be 13th June get it in your calendars.**
