Rhyl & District Motor Club wishes to thank you for entering the Clarke Contractors Targa Rally 2026 and hope you have an enjoyable day on the tests.

We would like to thank our main sponsors Clarke Contractors and the others that have supported the event, and they are all advertised at the end of these final instructions.

The organised team have worked hard to secure some regular tests and one or two new tests, with a total test milage of approx. 15 miles. The transport sections between tests are timed at a very relaxing 20mph, so we hope you will drive these sections with regard to residents enroute and other road users.

Your start number is shown in the attached entry list and is based on the information provided in your entry.
