FINAL INSTRUCTIONS

Final Instructions

Firstly, thank you for entering this year's J D Romain Rally 2026. Although we are disappointed with the lack of entries, we promised the club and its members that this event would go ahead and as a club feel that it's important to do so.

We also want to thank our event sponsor Mr Rikki Proffitt and his family at Maes Dolau Caravan Park for his continued support of the event.

We also want to thank GMC Concrete, Russ Hughes, Tegid Evans, and the staff for their administration support.

We hope you will have an enjoyable and safe night's sport.

The organising team have worked hard to provide you with a no-nonsense event on the classic lanes on the map 116

To enable us to keep the lanes for future use, we rely on you to help us by closely adhering to instructions in the route information regarding: - Quiets, Black Spots, Non-Comps and Cautions.

Your start number is shown in the attached entry list and is based on the information provided in your entry form. The organisers' decision is final and will not be discussed.
